For:
Tony Long Wolf,
Elder, Oáye Lúta Okólakičhiye
937 East North Street, Suite 401
Rapid City, SD, 57701.

Dear Tony:

I am writing you to request an interview regarding your life as a Lakota elder. This interview is part of a profile piece for my Composition 101 class at SD Mines. I wanted to do my profile piece on a Lakota elder because elders are so important in our culture.

The interview will take around an hour and can take place wherever works for both of us. I will have some prepared questions that will cover a range of subjects. These subjects include how you have worked to stay sacred while living in western culture, how you use Lakota wisdom and traditions to work through hardships, some basic background questions, and more. I plan on recording this interview so I can refer back to it when writing my profile piece.

If you are interested in doing this interview, you can contact me using the information at the head of this letter. I am available on Friday, 17 May before 10:30 AM or after 1 PM, or anytime throughout the weekend.

Sincerely,
H. Ryott Glayzer
